UNITED STATES DISTRICT COURT
OFFICE
2005 JAN 19 AM 11:46AFFIDAVIT OF HARRY BARRITT IN SUPPORT
OF DEFENDANT COMMONWEALTH YACHTS, INC.'S
MOTION TO DISMISS

Now comes Harry Barritt and, on oath, deposes and says as follows:

1. I am the President of Commonwealth Yachts, Inc., a Virginia corporation with its place of business in Gloucester Point, Virginia. Commonwealth Yachts has been in the business of selling new and used boats in the greater Williamsburg and Jamestown Virginia areas for approximately twenty years.
2. During the time I have done business, I have not marketed or sold any boat or other product in the Commonwealth of Massachusetts.
3. I personally have not been to Massachusetts for approximately 15 years. I do not recall an employee of Commonwealth Yachts ever traveling to Massachusetts to conduct business for the company.
4. In approximately October of 2001, I understand that Robert J. Killion, Jr., the Plaintiff, traveled to Annapolis, Maryland to attend the Annapolis Boat Show. Commonwealth Yachts was an exhibitor at the boat show and is a dealer of Mainship Trawlers.

5. At the boat show, Mr. Killion had conversations with Commonwealth Yacht employees about the Mainship Trawler and appeared to be interested in purchasing one.
6. Discussions and most of the negotiations with Mr. Killion occurred at the boat show.
7. Mr. Killion asked whether he could take delivery of the boat in Massachusetts. Commonwealth Yachts was not willing to do that so Mr. Killion agreed to take delivery in Virginia.
8. Mr. Killion next had an unusual request that Commonwealth Yachts set up a place of business in Massachusetts, indicating that he could somehow save money. Again, Commonwealth Yachts did not agree with this idea as we had no intention of doing business in Massachusetts.
9. Between the boat show and delivery there were perhaps two telephone calls between Mr. Killion and Commonwealth Yachts. I am not certain who initiated them.
10. I believe that the sales agreement was sent to Mr. Killion by fax for his signature. He signed the document and either faxed it back to us. A true and accurate copy of that agreement is attached at Exhibit A, hereto.
11. Since the sale occurred in Virginia, Mr. Killion paid Virginia sales tax on the boat.
12. I understand that Mr. Killion has contacted the manufacturer, Mainship, directly. I further understand that Mainship has performed and continues to be willing to perform warranty services to satisfy Mr. Killion.

Signed this 18th day of January, 2005, under the pains and penalties of perjury.
